### **U.S.A. PATRIOT ACT *Identity Verification Notice***

On October 26, 2001, President Bush signed into law the U.S.A. Patriot Act. The purpose of this law is to help protect you, your family, and our country from terrorism. Preventing terrorist financing is one way we can help prevent terrorism. We want you to know that section 326 of the Act requires RiverLand Credit Union to verify the identity of all new and potential members. We must also verify the identity of members and nonmembers added as signatories, and who have access to new or existing deposit accounts and loans. We must also retain copies of documents used to verify your identity.

If you are an existing member who joined RiverLand Credit Union before October 1, 2001, we may need to verify and retain copies of documents used to verify your identity when you request a new deposit account, apply for a loan, or are added as a signatory to a new or existing deposit or loan account.

We ask for your understanding as we work to support these efforts to maintain the security of your funds and our country.
